Additional information

- Players are required to bring their own devices and monitors (laptop, desktop or console, mouse, keyboard and cables).
- Laptop network port or ethernet adapter is required.
- Chairs, tables, networking and power plug points will be provided.
- Players may not compete in more than one title per day
- All teams will play the same number of games for a final ranking at the end of the tournament. We aim to play as many games as possible for the duration of the tournament.
- Teams **may not participate in more than one title per day.** In other words, a team may participate on 8 and 9 October in one title and then again on 10 and 11 October in another title.
- Vendor and food stalls will be available on-site
- Secure parking will be available at the school.
- There will be 24-hour security on-site for the duration of the tournament.
